

## **X. ZONES**

**Section 1. Composition:** Zones shall be the basic components of the Association for strategic purposes. Zones and the churches they contain should reflect a commonality based on geopolitical, ethnic, or other cultural identity.

**Section 2. Establishment:** The number, identity and parameters of the Zones shall be established by the Executive Director of Missions in consultation with the Ministry Staff.

**Section 3. Purpose:** Member churches shall be encouraged to meet in Zone groups to strategize together and provide mutual support.
