Character Counts

- **Maintain Integrity**—when you made a decision, own up to it; you will make some bad ones, but don't shift the blame or deny the responsibility for your decision
- **Security**—secure people feel less pressure to perform, to please people and to prove their worth by their accomplishments
- **Maintain Purity** — nothing will damage your effectiveness and legacy more than moral failure-be proactive in preventing it
- **Learn Humility** — humility is adopting God's perspective on who you are and what you are assigned to do; constantly degrading yourself is pride, as it focuses on you
- **Developing Servanthood**—Jesus called His disciples to serve, rather than be served—whenever you find yourself thinking you're above a certain job—you are no longer serving
